The EAS system gives me the following error message when I try and release the TDD:

Main TDD funding category is not matched.

I will try again first thing in the morning, some times that works.

Thank you

Subject: EAS Document Notification: For your review-TDD: REGION 9 START IV (EP-S5-13-02/0002)/1302-T2-R9-15-08-0001

TDD: REGION 9 START IV (EP-S5-13-02/0002)/1302-T2-R9-15-08-0001 is ready for your review in EAS.

You may access the document at <https://eas.epa.gov/> Project Title: REGION 9 START IV

Modification: A

Description: START 4 shall continue to provide support to a threat to Waters of the United States on the Navajo Nation due to an acid mine drainage release from the Gold King Mine near Durango, Colorado per FOSC direction.

The TDD amendment sets the authorized ceiling at \$516,707, adds a site ID, revises TDD name, and site name.

The attached CPW supersedes all previous versions. All other conditions, tasks and/or deliverables under this TDD remain unchanged.
